

# Timeline: Remote Jobs and Economic Development Program

FOR CONSULTATION ONLY

## Outlining the transition from the Community Development Program (CDP) to the Remote Jobs and Economic Development Program (RJED) and a new remote employment service

RJED will initially create 3000 jobs over the next 3 years and will include a fund for capital and equipment to support employment.

CDP will continue as we develop a new remote employment service.

Past (2022 – 2023)	Future (July 2025 onwards)
<p><b>2022</b></p> <ul style="list-style-type: none"> <li>August: Hosted remote employment roundtable</li> </ul> <p><b>2023</b></p> <ul style="list-style-type: none"> <li>Feb - June: Consulted with remote communities</li> <li>December: Consulted with key stakeholders</li> <li>Began job trials: CDP Trial (November 2022), Ngaanyatjarra Lands Trial (July 2023) and New Jobs Program Trial (September 2023)</li> </ul>	<ul style="list-style-type: none"> <li>Job seekers (who are able to work) move from income support to jobs.</li> <li>Economic development and jobs are supported across all levels of government.</li> <li>CDP contracts continue to June 2025.</li> <li>New remote employment services commence to support job seekers.</li> </ul>
