Date: 27/05/2024

Timestamp: 1 hour, 20 minutes, 13 seconds

Transcript: There was one other that ranked fairly high in terms of their score and they're back associated with I guess Awabakal because Awabakal said that they would do Lake Macquarie. But there's another organisation called **s22(1)** And they're a consider, maybe.

If you look at where they've said they do Lake Macquarie East and West, but when you look at Awabakal. Awabakal says they'll do Lake Macquarie North and Lake Macquarie East. We're going to have to do a lot of work here because we've got a lot to cut.

Timestamp: 1 hour, 25 Minutes, 11 Seconds

Timestamp: 1 Hour, 28 Minutes: 16 Seconds (*In response to being significantly over the New South Wales (NSW) full time equivalent allocation*)

Transcript: All right, so look, I'm going to have to come back to you tomorrow then with this.

Timestamp: 1 hour, 33 minutes, 23 Seconds (*in reference to the Eastern NSW tracking spreadsheet*)

You send us through, what you've done to myself and my team and then we'll come back to you tomorrow with some with the ranking.
