## PRIVACY NOTICE & CONSENT FORM

### **The Privacy Act and your personal information**

Your personal information is protected by law, including the *Privacy Act 1988* (Cth) (**Privacy Act**) and the Australian Privacy Principles (**APPs**).

This Privacy Notice describes how the Office of the Aboriginal Land Commissioner within the National Indigenous Australians Agency (**the Agency**) collects your personal information pursuant to APP 5.

#### **How and why are we collecting your personal information?**

The Agency may collect personal information such as your name, contact details and any other personal information that you provide in your emailed submissions for the Review of Part V the *Aboriginal Land Rights (Northern Territory) Act 1976* (the **Review**).

We may also collect sensitive information from you when you have included this in your submission. This information may include racial or ethnic origin and association memberships.

We collect your personal information where it is reasonably necessary for, or directly related to, progressing the Review.

Provision of this information is voluntary. Should you choose not to provide us with your personal information, you may not be able to fully participate in the Review.

#### **How do we use and disclose your personal information?**

The Agency will disclose your personal information included in your submissions to the Aboriginal Land Commissioner to conduct the Review.

You may elect to have your personal information to be published. If you choose this option, your personal information (including any sensitive information included in your submissions) may be publicly published on the on the Aboriginal Land Commissioner website available here: <https://www.niaa.gov.au/indigenous-affairs/land-and-housing/aboriginal-land-commissioner>. It will also be published in the final report on the future operation of Part V of the *Aboriginal Land Rights (Northern Territory) Act 1976*, which the Aboriginal Land Commissioner will provide to the Minister of Indigenous Australians. This report may also then be publicly published.

You may elect for your submissions to be published anonymously, with any personal information removed.

You may also elect for your submissions not to be published online or in the final report.

#### **How do you find out more about our privacy practices?**

The privacy and security of your personal information is important to us, and is protected by law. The Agency's [Privacy Policy](#) explains how the Agency handles and protects the information provided by you. The Agency's Privacy Policy also explains how you can request access to or correct the personal information we hold about you, and who to contact if you have a privacy enquiry or complaint.

To find out more about how we manage personal information you can contact:
